
Dont be amazed....be VERY amazed!

Posted by scipilot - 2007/12/06 15:33

Most impressive video you have ever seen!

<http://video.google.com/videoplay?docid=656193898147576910&q>

Am I right or am I right? B)

Yes, I've seen this before, a pretty brave young chap if you ask me. I hope he checks his skin thoroughly at the end of each day

Some people are adrenaline junkies. I'd like to know how he actually ended up in a wheelchair, probably don't exactly the same thing on a skateboard:laugh: anyway, I've got to give the guy credit, looks like he's really enjoying themselves.
